BIS SHRAPNEL

BIS Shrapnel is pleased to offer existing hardcopy subscribers to *Economic Outlook and/or Building Industry Prospects* a complimentary trial online access to download the associated below online resources from our website at www.bis.com.au to assess the full online service. The trial period will conclude on 15 December.

Additional Online Inclusions:

- ▶ Current and recent back issues of the bulletins (PDF)
- ▶ Conference Centre - Conference slides (MS Powerpoint) and papers (PDF)
- ▶ Weekly data on interest rates, exchange rates, stock markets and commodity prices in MS Excel (EO)
- ▶ Regular data and forecasts for Economic Indicators, Financial Indicators, Business Indicators, State Indicators, External Sector, Costs & Prices in MS Excel (EO)
- ▶ Data and forecasts on the number of dwelling approvals, commencements and completions, alterations and additions, together with the value of commercial and industrial, social and institutional commencements in MS Excel (BIP)
- ▶ Email alerts with a brief analysis/commentary when new data, forecasts or bulletins are available to download

I am a hardcopy subscriber to the following service/s and wish to trial the online services:

- Economic Outlook** **Building Industry Prospects**

Online Subscription Annual Cost (inc GST)

If you decide to upgrade after the trial, we would only charge the pro-rata difference of what you have already paid and the 2011 Online renewal rates of: ▶ Economic Outlook – \$3,080 pa ▶ Building Industry Prospects – \$4,015 pa

I agree to the below Conditions of Online Use

As an Online subscriber to our services, we allow you to share your USERNAME and PASSWORD with four other staff members of your organisation (ie: five users in total for each subscription). Information (and associated files) is the property of BIS Shrapnel Pty Ltd and is confidential. Downloaded files may be shared with other individuals within your organisation, for internal use only. Your colleagues must also be aware that they are not to forward the downloaded files or information (in whole or part) to any external parties, or include in any promotional material. If any of these individuals leave your organisation, please update your PASSWORD to ensure security of information is maintained. Please do not share your ADMIN PASSWORD (controls access rights) with colleagues – it must remain confidential.
